Dear Parent/Guardian,

RE: YEAR 8 STUDENT-LED CONFERENCE (SLC)

We invite you to the Year 8 Student-Led Conference scheduled for **Wednesday, 18th March 2026**. We will have the conference in the school from **3:40 pm to 5:30 pm**.

Students will share their learning progress and achievement, using selected pieces of work in their e-portfolio. This opportunity helps students take ownership of their learning, reflect upon big ideas, and hone their presentation skills. The student facilitates the meeting from start to finish. The structure builds students' sense of responsibility and accountability for their own learning.

Agenda:

- Arrive on time and sit in the school hall with your child until your child is ready to begin.
- Introduction and statement of the objectives of the SLC by your child.
- Your child takes you through his/her online portfolio in the presence of a teacher assigned to him/her.
- While doing this, your child will explain his/her learning targets, share goals and an action plan for excellence.
- The child shares with you how you can help at home, and answers your questions.

If, for any reason, you are unable to attend, please send a representative and let us know by **Friday, 13th March 2026** for purposes of our planning.

Thank you for your continued support.
